

ROBERT L. McCAFFREY MIDDLE SCHOOL

997 PARK TERRACE DRIVE ▪ GALT, CA 95632

209-745-5462

Dear Parents and Guardians,

I am delighted to introduce myself as the principal of Robert L. McCaffrey Middle School. It is an honor and a privilege to be part of this esteemed educational institution that holds a strong reputation for academic excellence, community engagement, and a commitment to student success. I look forward to working collaboratively with all stakeholders to ensure that every student receives the best possible educational experience.

To provide you with some background information about myself, I am a proud product of Galt and have deep roots within this community. I attended Valley Oaks Elementary and graduated from Galt High School, which has given me a unique perspective on the needs and aspirations of our students. After completing my undergraduate studies at Sacramento State University, I pursued a Master's degree in Educational Counseling from the University of La Verne. Furthermore, I earned my administration credential from Sacramento State University, equipping me with the necessary skills to lead and support our school community effectively.

Throughout my career in education, I have gained valuable experience in various roles. I began as an intervention specialist at Encina High School and La Entrada Continuation School, working closely with students who required additional support. I then transitioned into teaching before assuming the role of a counselor in the Elk Grove Unified School District. Later, I had the privilege of serving as the Director of Migrant Education for Butte County of Education, where I focused on ensuring equitable educational opportunities for migrant students.

Growing up in a migrant farming family, my parents taught me the importance of hard work and the value of education. I carry these lessons with me as I strive to create a nurturing and inclusive environment where every student feels empowered to reach their full potential.

I am committed to fostering a strong partnership between home and school. Parental involvement is integral to the success of our students, and I encourage you to actively engage in your child's education. Together, we can create a supportive and dynamic learning community that promotes academic growth, character development, and overall well-being.

I am excited to be part of this educational journey as the principal of Robert L. McCaffrey Middle School. Let us join hands and work collaboratively to create an environment where every student can thrive academically, socially, and emotionally. Please feel free to reach out to me with any questions, concerns, or ideas you may have. I am eager to meet you all and look forward to an incredible school year.

Warmest regards,

Carlos Barron Castillo
Principal
Robert L. McCaffrey Middle School
